### Gordon's Alcohol Free Gin

New Gordon's 0.0.% provides the bold, piney juniper led character you'd expect from Gordons.

### Original Floral Blend

FLUÈRE bursts with carefully selected botanicals that issue a complex yet balanced taste and ensure a unique after-bite that normally only alcoholic drinks have. Both Juniper and Lime peel give a bright and fresh character to the nose whilst the lavender and coriander add some herbal notes.

### Spiced Cane Dark Roast

Complex and full of character. Surprising hints of dark roasted coffee, cocoa, liquorice, tonka beans and toffee. Crafted from pure sugar cane molasses. A well balanced and complex profile to create seductive drinks.

### Pink Gin

Bursts with botanicals that issue a complex yet balanced taste combined with fresh distilled raspberries that gives a fresh, smooth and slightly sweet nose followed with a unique after-bite that normally only alcoholic drinks have.
